

# Collective Organizing

Working together to Influence  
national practices, policy  
and legal frameworks towards an  
effective implementation of the  
Nagoya Protocol that takes into  
consideration the needs and  
interests of ILC

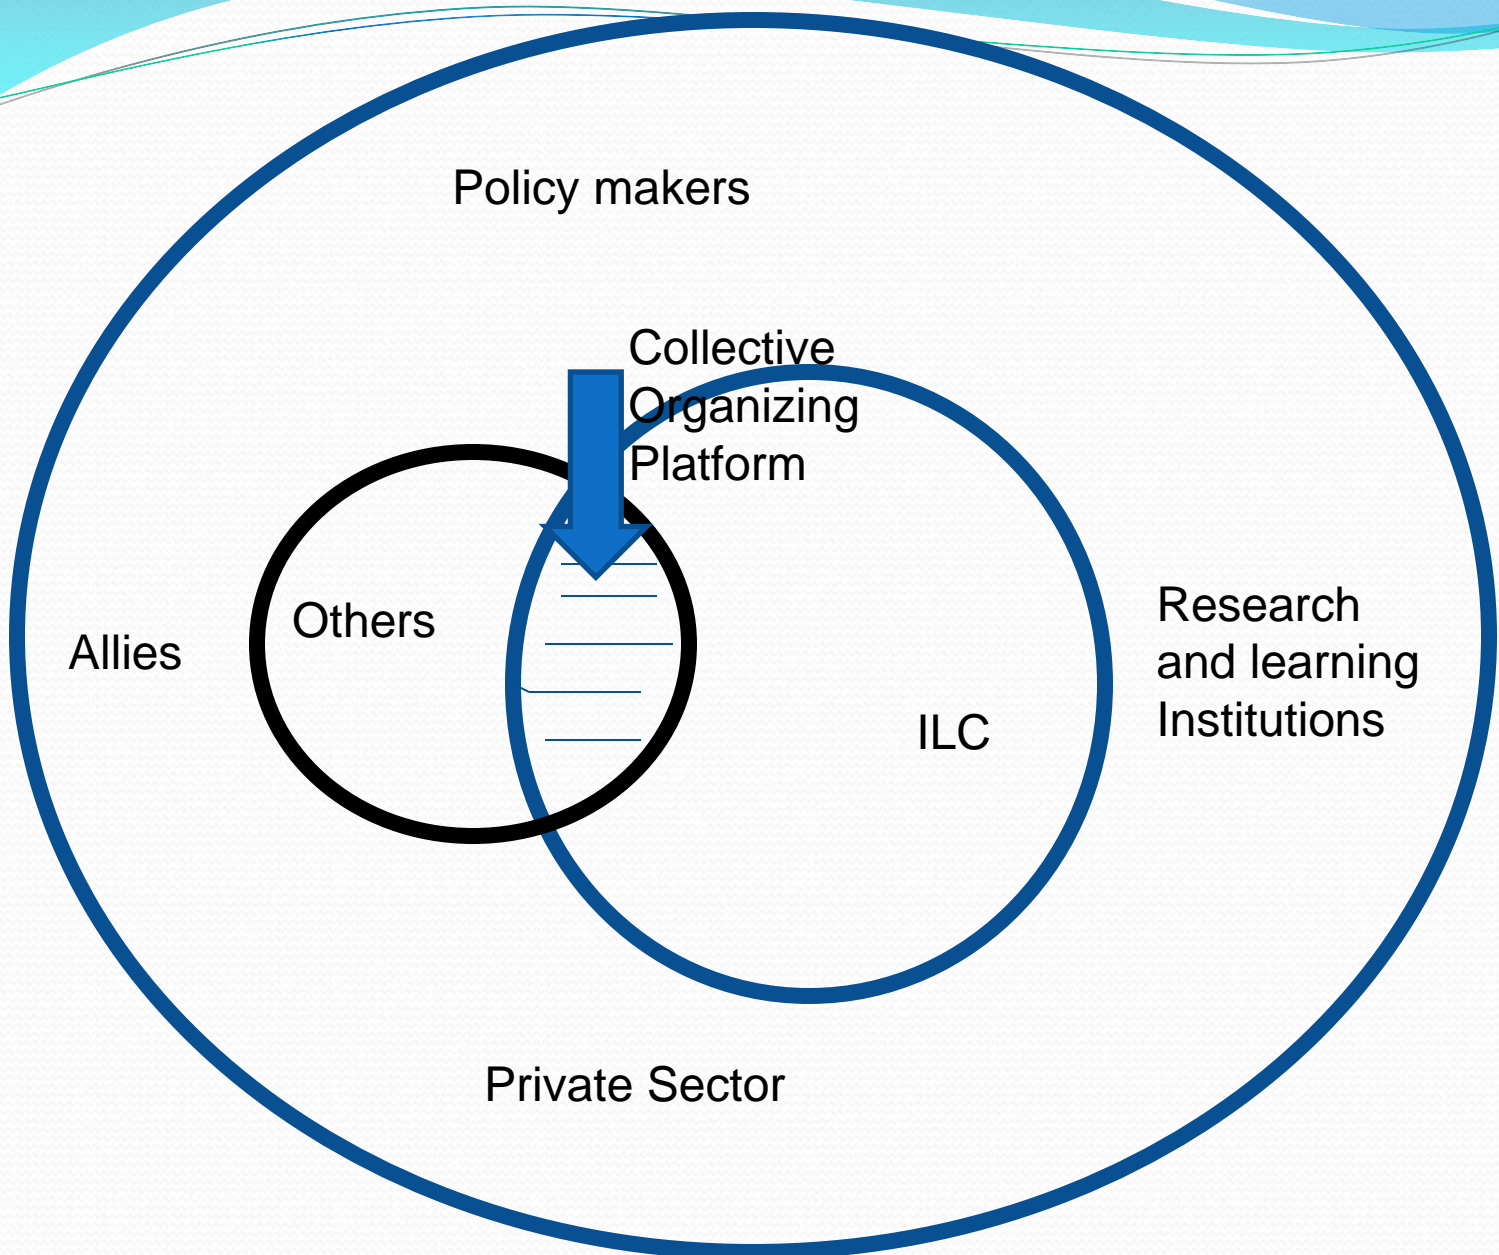

# Objective Setting

- What is the change
- What actions will we take
- Who will we influence/Collaborate
- Our allies

# Who are we

- What roles and responsibility are necessary, Who is already here (rep of primary constituencies (ILC), ABS Initiative “alumni”),
- Who else do we need to bring on board
- What will be the process of recruiting the additional platform members  
(activists, experts e.g lawyers, researchers)
