

UNDP Support to ABS Compliant Value Chains Santiago Carrizosa, UNDP Global ABS Adviser

4th ABS Business Dialogue

UNDP Support to ABS-Compliant Value Chains

Communities
Root-

Actors

Root-cause analyses to identify supply, policy and land management issues and solutions Private-Public platforms
or partnerships to
resolve production, land
management and ABS
issues

UNDP

Enabling an ABS Framework
which includes not only
developing national ABS laws
but also facilitating the
negotiation of ABS
agreements

certification systems and PES that complement benefits derived from the marketing of ABS products

Incentives such as

Markets

Awareness and capacity building on sustainable harvesting and production practices, community protocols and ABS frameworks

Support is fully adaptive, to fit the evolving needs of the value chains...

Companies

The ABS journey continues...Thank You
