

# IPLC INVOLVEMENT IN ABS AU GUIDELINES

## **Raise Awareness and Sharing Information (Guidelines 6/7)**

## **Access for Utilisation (Guidelines 10/11)**

- Establishing legislative, administrative measures for access to GR for utilisation and access to aTK.

## **Benefit Sharing (Guidelines 18-20)**

- Equitable
- Standards that uphold “intrinsic, cultural and socio-economic values of GRs and aTK” are put in place

## **Protection of aTK (Guideline 30, 31)**

- Safeguards and protect the collective rights of IPLCs to GRs and aTK
- Benefits directed towards conservation/sustainable use and improvement of livelihoods of IPLCs

## **Capacity Building (Guideline 35)**

- Encourage activities of IPLCs that support conservation and sustainable use
- Laws and policies that create legal rights for IPLCs over GRs and aTK
- Support IPLCs with capacity development
- Encourage and support IPLCs to develop and use customary laws, community protocols and procedures

***Also refer to Practical Guidelines***
