The ABS Initiative at the World Conservation Congress in Jeju, South Korea

10 Sept. 2012: Workshop - Access and Benefit Sharing and Protected Areas: how are they linked?

Organised by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH), the ABS Capacity Development Initiative jointly with IUCN, The Equator Initiative, Conservation International and Natural Justice invites to a workshop with the topic: *Access and Benefit Sharing and Protected Areas: how are they linked?*

This event is an invitation to participate in the discussion, based on the thoughts of previous meetings and some examples. It will inform about the Nagoya Protocol and its relevance to conservation and equity; and seek input from participants on how to take forward the work on these linkages.
